Hi Marc, Jim

Hope you had a nice weekend.

To prep for this week's call with Apple, below is a list of things we want from Apple (and have been already asking them multiple times). The first two seem most relevant to Ron and his org

[minus Robby and Katie]

Ash replied in a later email that he will join the Ron meeting; I will join the internal prep.

@Marina Shilman can you compile a list of the things we want from Apple? You likely already have one, but it will be good to have handy. [REDACTED]

The meeting with Apple is next Wednesday, 10/21 at 10:30am. I'll add you to it Marc.
Now that Ron is joining, we might want to use their high interest to our advantage.
Let discuss in a prep meeting once scheduled.

thanks,
marina

Yes, I'd like to join too, if Ron is joining. When is the meeting, and what are we planning to say? Pls add me to the prep too. I also should flag to Ash. Will do that now.
Marc

Hello Robby,

Thanks for the willingness to engage with Apple on their interest in IG and their updated Mac/iPad compatibility. It would be useful for us to synch briefly ahead of that meeting.

Can we find a few minutes to connect?

Let me know and Adriana can find time prior to the meeting next Wednesday.

Thanks,
Jim
